SOURGE	1.	Ten "T 34/85	" tanks, about	twenty 76.	,2 mm antitar	k guns.
	three Sr guns and about five hunired troops of different branches of service were seen in the restricted area between ZadHLIN (N 54/U 31) and BaBITZ (N 54/U 21) on 9 July 1949. 25X1C					
	 J. Local residents reported that the units in the area between ZICHIN and BABITZ totaled seven thousand troops. Fire of artillery and infantry weapons was constantly heard. 4. Local residents stated that about one thousand infantry troops arrived in the BABITZ area three days before and
